

MG ZS

MGMOTOR.COM.AU

MG'S SMALL SUV
JUST GOT BETTER.

Take Charge.

At MG, we're committed to providing a diverse range of options, giving our customers the freedom to drive the way they want, embodying this commitment in the compact SUV space. The MG ZS range is no exception, offering both petrol and hybrid variants to suit every preference. Featuring a sleek style, advanced tech, reliable safety features, and even more space for whatever life throws your way.

The MG ZS HYBRID+ pairs innovative, high-capacity battery technology within an efficient yet commanding hybrid powertrain. It's smooth acceleration, dynamic handling and reduced ownership costs elevate every drive with greater assurance and ease.

As we move toward an electrified future, our hybrid range is designed to be both eco-conscious and exhilarating to drive. At MG Motor Australia, our ethos Take Charge reflects our

commitment to empowering drivers and leading our transition toward electrification.

The MG ZS range offers the freedom to choose the drive that suits your lifestyle - whether it's the spirited responsiveness of petrol or the advanced efficiency of HYBRID+. No matter which path you take, the MG ZS range is built to empower every driver to Take Charge of their journey.

MG Design Language

Coming in Vibe, Vibe Turbo, Essence Turbo trims, as well as Excite HYBRID+ and Essence HYBRID+, the MG ZS range benefits from an enhanced standard specification while borrowing a touch of sporting style from its soulful siblings.

This redesigned ZS range sets a new standard in compact SUV design, with distinctive elements like 18" Alloy Wheels*, elegantly crafted lines, and striking air inlets that not only contribute to its aesthetic appeal but also improve aerodynamics for a smoother ride.

Measuring at 4430mm in length and standing 1635mm tall, the MG ZS commands a strong presence on the road. Its dimensions provide ample space for both passengers and cargo, while the sleek silhouette creates a sense of leaping movement, showcasing a distinctive flair that sets it apart.

*Available only in Petrol Essence Turbo & HYBRID+ Essence trims.

Whats On The Inside Counts

You've seen the outside, now take the drivers seat in the all-new MG ZS, where efficiency meets elegance. The interior features plush, soft-touch materials and high-quality accents that create a serene, comfortable atmosphere. At its center, the 12.3" Virtual Driver Instrument Display* delivers essential information at a glance, while the 12.3" Infotainment Touchscreen* with Apple CarPlay® and Android Auto™ integration seamlessly connects you to apps, music, and navigation, creating an immersive, connected driving experience.

Keyless Entry* and Push Button Start, let you unlock and start the car without searching for keys.

Enjoy high-quality sound with the digital radio and 6-speaker audio system*, and easily navigate with the built-in satellite navigation. The 443-litre boot expands to 1457 litres with the rear seats folded, providing plenty of space. Multiple USB ports* – two in the front, one under the mirror conveniently placed for your dashcam accessory, and one in the rear – keeping everyone connected.

The ZS range has features beyond keeping devices powered and passengers entertained - it ensures peace of mind on every journey with MG Pilot Safety Suite as a standard across the ZS range.

For a premium experience, the top-tier Essence variants focuses on elevating the driver and passenger comfort, including a 6-way electric adjustable driver seat with manual lumbar support, front seat heating for driver and passenger; a leather-wrapped steering wheel, electronic panoramic stargazer sunroof, PVC trim throughout the interior design, 18-inch alloy wheels, and perforated PVC seating in the front and rear.

*Available in all variants excluding the Petrol Vibe and Petrol Vibe Turbo.

Designed for A Smooth & Comfortable Drive

The all-new MG ZS balances refined handling, precise steering, and improved road grip, making every turn and curve a testament to its well-engineered dynamics. Designed for smooth and comfortable driving, the MG ZS invites you to embrace every journey with ease, adapting effortlessly to the varied rhythms of daily life.

At the core of the ZS petrol variants lays an efficient and responsive powertrain, delivering up to 125kW of peak power at 5500rpm in the Turbo models. Designed for control and comfort, its enhanced driving dynamics and upgraded suspension ensure a composed ride – whether navigating city streets or setting off on a weekend getaway. With a generous 55L fuel tank and an efficient consumption rate of 6.9L/100km*, fewer stops mean more time enjoying the journey without compromise. The CVT transmission features 87% maximum power efficiency and 8 simulated gears for ultra-smooth, intuitive shifts. Whether navigating tight urban corners or settling into highway cruising, the ZS delivers a refined, uninterrupted experience, with a robust transmission ensuring seamless transitions that connect you to the road with confidence.

The MG ZS is built for those who value practicality and comfort in equal measure. With its focus on control and stability, every drive feels balanced and assured.

*Available only in ZS Petrol Turbo variants.

Rethink Hybrid. We Did.

Say hello to the MG ZS HYBRID+, reimagining what the compact SUV is capable of. Its sleek form harmonises style and strength, making a powerful statement wherever you go.

Powered by MG's innovative HYBRID+ Technology, the ZS HYBRID+ is equipped with a large 1.83kWh NCM battery, 100kW electric motor and a high-efficiency 1.5L naturally aspirated engine, together delivering a combined maximum power of 158kW. Enhanced with an advanced 3-speed Hybrid Transmission, the ZS HYBRID+ delivers a smooth and dynamic driving experience.

Driven by innovative hybrid tech, the MG ZS HYBRID+ is featured packed, with a redesigned interior, dependable safety technology, innovative infotainment, and spacious interior.

This versatile SUV adapts effortlessly to your needs, making it the perfect companion for both the everyday and spontaneous escapes.

Drive Smarter, Not Harder.

ADVANCED HYBRID+: NO PLUG-IN, ALL ACTION

The MG ZS HYBRID+ exemplifies our ongoing commitment to progress and innovation in automotive engineering.

Enjoy the EV-like feel with the **responsiveness** and **high power** of a refined hybrid powertrain, all without the need to plug-in to charge.

The MG HYBRID+ system adapts intelligently to driving conditions, balancing efficiency and performance*. At low speeds, the electric motor provides a responsive, eco-friendly drive, while the engine powers and recharges the battery as needed. On highways, the combustion engine takes over, optimised by a 3-speed Hybrid transmission to maintain smooth acceleration and high efficiency.

The Smart Way Forward

PERFORMANCE MEETS EFFICIENCY

MG's HYBRID+ powertrain combines electric and petrol power, offering both efficiency and performance – no compromises needed!

NO PLUGGING IN NEEDED

Conveniently recharge as you drive, storing more electric energy into the high-capacity battery through braking and deceleration – meaning more electric power to support your drive.

AERO EXTERIOR

Combining bold design with smart aerodynamics, the dynamic grille reduces airflow resistance. The raised shoulder line creates a confident stance, while the rear haunch boosts stability and volume in the width, optimising hybrid performance.

GO LONGER FOR LESS

Fuel economy is maximised in the ZS HYBRID+, letting you enjoy longer trips without constant stops for refuelling – meaning there's also saving on costs from your pocket!

POWER WHEN YOU NEED IT

Thanks to the instant torque of the electric motor, MG's HYBRID+ models offer smooth, powerful acceleration without delay, enabling a controlled, efficient start.*

CUT DOWN ON EMISSIONS

By using less petrol in the HYBRID+ thanks to the large battery, driving emissions are lowered. Drive with impact and cut down on emissions for your next journey.

Built For The Hybrid Driver

EFFICIENCY MEETS TECH

The ZS HYBRID+ is designed to be a convenient Hybrid, with a focus on the additional benefits of Hybrid driving at your fingertips.

Efficiency meets technology with the Energy Regeneration Mode taking efficient driving to the next level – easily set the energy regeneration level when decelerating, with three options: HIGH, MEDIUM, and LOW, to suit you and your drive, via the DRIVING Tab on the Infotainment Screen or through the shortcut button on the steering wheel.

Further tailor your drive with the selection of Driving Modes via the button on the Centre console – ECO, NORMAL & SPORT– to set the drive responsiveness to your mood.

Conveniently placed on the 3-spoke steering wheel, the customisable shortcut buttons allow for various functionality at the touch of a button. Adjust the A/C settings, switch energy regeneration levels, and more.

VIBE

- 16" Alloy Wheels
- 10.25" Infotainment Screen
- Telescopic Tilt Adjustable Steering Wheel
- PU Steering Wheel
- Reverse Camera

*MG iSMART is provided as a complimentary service for the first 12 months from your purchase date of a new MG vehicle. After this period, you are responsible for payment of any service or licence charges MG may introduce. If charges are implemented, you will receive at least 60 days' notice.

Unmatched Elegance

INTERIOR COLOURS

Experience a new standard of comfort with the all-new ZS range, featuring a standard fabric finish in the Vibe, and PVC in the Essence trims, with an optional warm white interior available[^].

EXTERIOR COLOURS

The ZS range offers a selection of 7 dynamic colour options*, giving you the freedom to choose the perfect hue for your drive.

*Colours in this brochure may vary to those on the vehicle.

Exceptional Service

A COMMITMENT TO ACCESSIBILITY AND QUALITY

At MG, we prioritise accessibility and provide top quality service. Our dedicated network of dealers are committed to ensuring an exceptional experience for every customer. From the moment you step into an MG dealership, you'll be greeted by a team of experts who understand your desire for style and performance. We are here to ensure that your journey with the MG ZS is truly extraordinary.

DRIVE WITH PEACE OF MIND

When you choose a new MG, you're not just getting style and design, you're also getting peace of mind with one of Australia's leading new car warranties. All new MG branded vehicles intended for personal use include a comprehensive manufacturer warranty.

~Warranty & roadside assistance T&Cs at <https://mgmotor.com.au/pages/warranty>. Excludes fleet, government, or rental buyers.

MG's warranty is built for confidence. Your new MG ZS comes with up to 10 years or 250,000km coverage when you service with MG. That's 7 years unlimited as standard, plus a 3-year MG service-activated extension, taking you up to a total of 10 years or 250,000km, whichever comes first.

It's all part of our commitment to long-term reliability and value, keeping your MG protected for years to come.

P R E C I S E PRICE SERVICING

Your MG ZS deserves the best of care. With MG Precise Price Servicing, all items requiring maintenance as indicated in the MG service schedule, are included in the quoted cost. This means we assure you that the price listed is the price you will pay.

CONNECTED CONVENIENCE, INSIDE AND OUT.

With MG iSMART, you can control key functions of your MG ZS remotely, including monitoring charging and checking vehicle status – all from your smartphone.

MATE, WHERE'S MY MG?

Lost track of where you parked? With a simple tap, the app shows your MG's precise location on the map, so you can navigate back easily.** For added convenience, activate the car's horn and flashing lights to spot it instantly in crowded parking lots. No more searching – your MG is just a tap away.

REMOTELY CONTROL FUNCTIONS

Enjoy the convenience of setting the air conditioning to cool your MG before you even get in, perfect for your daily commute or summer adventures. During colder months, you can remotely activate the driver's seat heating to stay cozy.*** Plus, lock and unlock your MG with ease – all from a distance.

CHECK MG OUT

All from the iSMART app, you can conveniently check your vehicle's status, including door locks, tyre pressure, fuel levels, engine health, and airbag readiness, all from your smartphone.

YOUR TRAVEL GUIDE

With just a tap, the Travel Planner lets you explore and search for destinations using the inbuilt digital map. Effortlessly plan your journey by browsing nearby points of interest, and mapping out your route.

Advanced Safety, Enhanced Driving

We know when it comes to picking the right car for the family, safety is of the utmost importance and the all-new MG ZS range has been designed with exactly that in mind. Engineered with cutting-edge safety technologies, the MG ZS offers protection for you and your loved ones.

Its advanced PILOT Safety suite features are all meticulously designed to enhance your safety on every journey. Beyond its superior safety performance, the MG ZS range combines premium driving and comfort with the highest standards of safety, ensuring you can drive with complete confidence and peace of mind.

INTELLIGENT SPEED LIMIT ASSIST

Actively detects speed limit signs and alerts you to your current vehicle speed.

AUTONOMOUS EMERGENCY BREAKING

AEB maintains continuously monitors the road ahead, autonomously engaging the brakes should it detect any obstacles posing a potential threat to the driver.

LANE KEEP ASSIST

Alerts the driver when the MG ZS getting too close to the lane edge.

INTELLIGENT CRUISE ASSIST

Autonomously tracks the vehicle ahead, managing acceleration, braking, and steering to remain within the lane at cruise speed.

ADAPTIVE CRUISE CONTROL

Detects the front vehicle position and keeps a safe distance between your MG ZS and the car in front.

LANE CHANGE ASSIST

Alerts the driver when the MG ZS is approaching the lane edge too closely.

REAR CROSS TRAFFIC ALERT

Alerts you of approaching vehicles and pedestrians when reversing out of parking spaces.

FORWARD COLLISION WARNING

Senses impending collisions and applies the brakes to help avoid or lessen impact.

BLIND SPOT DETECTION

Registers objects in hard-to-see areas to help you change lanes safely.

The above safety features are driver assist technologies that are not a substitute for safe and attentive driving or for the drivers control over the vehicle.
